

Tuition Assistance Policy

The primary purpose of the tuition assistance program is to provide temporary financial assistance to student families in grades K - 8 who demonstrate financial need. Tuition assistance is awarded a maximum of two years per family.

Parents or guardians must re-apply for tuition assistance every school year. In order for your application to be considered, your child must be a returning student to RSMCS. Families are not able to apply for tuition assistance in their first year attending RSMCS.

Parents who are separated or divorced must each submit a tuition assistance application.

Upon receipt of the application and all required documents, FACTS makes a determination of need. Applications are processed in the order they are received and applicants will be notified by email of the decision/award amount.

Please note that tuition assistance funds are limited. Students receiving tuition assistance are not eligible for additional discounts.
